FOR SENATE AND CONGRESS.

Candidates Addressed Newberry Voters in Court House on Monday. All Present Except Tillman.

The United States senatorial and congressional campaign meeting was held in the court house in Newberry on Monday. Messrs. N. B. Dial, of Laurens, and W. J. Talbert, of Edgefield, who are opposing Senator Tillman, were present and delivered addresses. Senator Tillman, is not making a campaign tour of the State.

Messrs. Talbert and Dial spoke along the same lines which they have taken at other meetings in the State.

The three candidates for congress were present and made speeches. Capt. F. S. Evans, of Greenwood, and Mr. Marcus C. Long, of Walhalla, are opposing Congressman Aiken.

Congressman Aiken cited his record on the establishment of rural routes and many other results which he had accomplished for the district, and spoke of his opposition to the Sherwood pension bill. He discussed national questions and local matters pertaining to the district. Capt. Evans spoke of his life as a practical business man, and of his equipment for the position. He was opposed to parcels post, and he was also opposed to the Bristow amendment which passed with the bill providing for the direct election of senators. Capt. Evans discussed several issues pertinent to the position. Mr. Long gave his platform, favoring the repeal of the war amendments to the United States constitution, thereby taking away the negro's citizenship as well as his suffrage. He did not want to mistreat the negro, but to put him in his place and keep him there. He advocated federal aid in building highways, opposed trusts in any form, opposed protective tariff and opposed foreign immigration.

County Chairman Fred. H. Dominick presided.

All the candidates were given careful attention.

NEWBERRY COLLEGE REUNION.

Many Gathered at Delmar for the Twelfth Annual Event of Its Kind.

Leesville, July 27.—Yesterday was a memorable day in this community. It was the occasion of the 12th annual Newberry college reunion, held at Delmar. The people came largely from Lexington and Saluda counties, though not a few were there from Newberry county. In all, possibly 1,200 persons were present—men and women, boys and girls, old people and children, from all ranks and classes, to mingle with each other, and to enjoy the exercises of the day. Among those attending was a large number of present and former students of Newberry college. Prof. S. J. Derrick, C. J. Ramage and Dr. J. H. Harms made addresses before dinner. The speeches were greatly enjoyed. After dinner Rev. S. P. Koon, the newly elected president of the new Summerland college, made a ringing address in behalf of that institution.

BIG SHAFT BROKEN.

Shaft of Weave Room Newberry Mills Wrung in Two, Causing Short Suspension of Work.

The main shaft pulling the machinery of weave room No. 2 at the Newberry Cotton mills was wrung in two when the mill started up after dinner yesterday by an iron crow-bar, lodged in the shaft pulley. When the mill started the crow bar went against the ceiling just over the pulley, wedging the pulley, and the power from the engine forced the shaft to give way.

The shaft line is below the floor of the weave room, and of course there was no danger to employees.

How the crow-bar managed to get placed between the spokes of the pulley is a mystery which has not yet been solved.

A new shaft will have to be put in.

The Army Worm.

The army worm has made its appearance in Saluda and Richland counties, and the experts have been called upon for assistance. It is reported that the worm, which has been in evidence in the Dyson community, in Greenwood county, just over the Newberry line, crossed over into Newberry, but that the farmers of the section where it was observed went together and picked off the worm, which can be done, it is said, when they first appear, if there are not a great many of them. Farmers throughout the State seem to be considerably worried over the matter.

STUMP SPEECH.

Mounts the Tripod and Pencils His Campaign Talk.

Ladies and Gentlemen, Friends and Co-Runners:

In conclusion allow me to proceed. As I never made a speech in my life, and only made one motion in a society, which motion was to adjourn, I am forced to resort to the pencil and paper if I am to be heard at all in this rush. "Makes no difference if you are a" Newberrian, Prosperityite, Pomarian, Little Mountaineer, Whitmire, Silverstreet, Chappellsite, Old Towner or what not, lend me your ears. I want them. I need them in my business. "Makes no difference" what size they are, push them forward and strike a listening attitude. You may cover up the "atti," but leave the "tude" part in the open to receive the vibration.

Sitting upon the tripod I fire my salute. Do you catch it? If so, hold fast to what you get, and be sure your sins will find you out. Makes no difference if it is only a little, "every little bit added to what you got makes just a little bit more" for your improvement. Will now give you the pro and con—pro bono and consider portion of this announcement, and hereby renounce myself as a candidate for reconsideration, subject to anything that gets in the way, regardless of anybody's old hat that has been thrown into the ring. My dawg is alright, and don't you forget him. Send me \$1.50, \$1.75 or 50 cents, subscription Herald and News.

One at a Time.

A justice of the peace was holding court in a little Missouri town. One of the attending counsel held against him an old grudge. While the justice was delivering an opinion he was interrupted by the braying of a jackass without.

"What noise is that?" shouted the justice, full of suspicion that the unfriendly attorney was putting up a job on him.

"It is only the echo of the court, your honor," said the attorney, smiling.

Not in the least disconcerted, the justice resumed his delivery. Soon, however, the attorney interposed with technical objections, just as the jack brayed again.

"Hold on!" retorted the retaliating justice; "one at a time if you please."
